## SPRING CITY ARTS 2012 PLEIN AIR PAINTING COMPETITION ARTIST HOSPITALITY

We would like to welcome all the artists to this year's Spring City Arts Plein Air Painting Competition. We hope you enjoy the beautiful historic area of Spring City. To make your stay more enjoyable, we are providing a number of hospitality events for the artists.

Spring City Arts will be providing lunches on Wednesday, Thursday and Friday at the Anderson Barn -- 390 South, 100 West -- from Noon to about 2:00 pm. Water, drinks and snacks will also be available to take with you as you select a painting location.

You are also invited to join other artists and us for a pot-luck dinners on Thursday evening, as soon as you complete painting for the day. Bring a food item and join us at the Anderson Barn.

Friday evening we will be holding an Artist Reception at 7:00 pm.
